

Ninja Konfiguration 2/2

7. Rechte Maustaste

8. Linke Maustaste

The screenshot shows the "Ninja - Einstellungen" window. On the left, there is a sidebar with "SIP Proxies" (containing "Proxy 0 - sipcall") and "Globale Einstellungen" (containing "Sprach Einstellungen", "Media Einstellungen", "Netzwerk Einstellungen", "Anrufbeantworter", "Lizenz / Version", "Erweiterte Einstellungen", "Wählregeln", and "USB Geräte"). The main area displays a table with columns for SIP proxies. The first row contains "[?????] 123456789", "[?????]", and a red house icon. Below the table, there are input fields for "X = '0' - '9'", "Z = '1' - '9'", and "N = '2' - '9'". At the bottom, there are "OK" and "Abbrechen" buttons.
